Description

All Stainless Steel Pipe Wallshelf - 0900-WSP1

Strong and ideal to place items, tools and equipment for easy access, the 0900-WSP1, wall shelf is uniquely designed with tough stainless-steel pipes.

This durable shelf comes from Federal Hospitality Equipment 's own doors and can be applied to your workspace or walls to store tools, equipment and stock. This eases workflow for chefs and kitchen hands, who can easily reach up and grab what they need while they ' re working.

This tough wall shelf comes with two brackets and is supplied flat-packed with instructions, tools, simple assembly and a refined look. We have a range of durable wall shelves with different lengths and designs for your business.
