Description

S/S Two Door Bench Freezer 260L - FE2100BT

FE2100BT is a small two door commercial workbench freezer with multiple accompanying features. This unit can hold up to 260 litres in capacity, with dimensions set at 1360x600x860+50mm.

This workbench unit is a classic choice for any kitchen of any restaurant or café seeking a piece that contains ample storage space and a sturdy bench for kitchen work.

The interior is icy cold, meaning you can store stock and ingredients inside for the long-term. These ingredients or meals can then be taken out later and still retain a fresh state. You can also use this interior to store other equipment or tools as well.

Refrigerated: -18 to -22°C

Capacity: 260 Litres
