Description

Spiral Mixers FS Series

One of the finest spiral mixers we have on offer here at FED, this unit is sure to deliver the smoothest dough mixture possible. The FS60M is a part of a prime collection of perfected dough mixers from the bakery equipment experts at Bakermax.

This workhorse is made for pizzerias, cafes, bakeries and restaurants who require a machine that processes and mixes dough to produce breads, wraps, pizzas and other bread-based meals.

Bakermax 's dough machines, bakery equipment and tools are the cream of the crop for those operating a bakery or pizzeria. These machines sit at the top in terms of performance, function and build.

The FS60M is one of our biggest mixers on offer, holding up to an impressive 64 litres or 25kg dry, and can easily fit the dough requirements of any pizzeria, cafe and bakery.
