CFX5 Series

Dometic Portable Fridge/Freezer

**DOMETIC**

Advanced insulation technologies, rugged builds, multiple power options. These are our most premium portable fridge/freezers. Vacuum Insulated Panel technology provides serious cooling performance - this keeps the contents cold, power usage minimal and your fridge/freezer lightweight. Options with dual-zone cooling and making ice in fridge mode are available. Every bit Dometic, they're ready for 4WDing, camping, van life, and big weekends. The CFX5 Series – portable fridge/freezers.

- Powerful VMSO<sup>3.5</sup> compressor
- Vacuum Insulated Panels [VIP]
- ExoFrame construction
- Aluminium alloy handles
- High-resolution colour display
- 5 Year Warranty
- Bluetooth or WiFi control
- 3-stage battery protection
- Gasket seal technology
- Reversible detachable lid (55,75,95L)
- User interface with 18W USB (QC 3.0)

### VIP

An optimised ratio of exterior to interior proportions provides maximum compressor efficiency.

### User friendly, weather-resistant interface

Easy-to-read, weather-resistant, high-resolution colour operating display, with 18W USB (QC 3.0) port and soft-touch buttons.

### Efficient power consumption

Powerful and efficient Dometic Compressor with VMSO3.5 technology

### Flexible power options

Powered by AC or DC

### Smartphone connectivity

Temperature control and performance monitoring via Dometic Mobile Cooling app

### Packed with features

Including a removable wire divider, self-folding aluminium alloy handles, TPE gaskets ensuring a tight lid seal, integrated bottle opener, removable lid with textured non-slip logo.
